

By age five many dogs stop producing key nutrients, leaving them vulnerable to disease. With powerful anti-aging Antioxidants, Essential Fatty Acids to keep minds sharp, Beta-Carotene to boost immune systems and Coenzyme Q10 to guard hearts and protect cells, **Pure Essentials** helps your dogs fight the challenges of growing older.

**Pure Essentials** was created from validating scientific studies that determined what dogs need. **Nothing more, nothing less.**

**Indications:** For Dogs 5 years and older.

**Directions:** To be taken with meals. Dogs 25 lbs or more, two tablets daily. Dogs under 25 lbs, one tablet daily. **Keep out of children's reach. Store in a cool, dry place.**

Dietary Supplement
